

BEAR BAG / CANISTER

Smellables include: Matches - Lighter - Stove - Fuel, All film cameras and extra film, Clothes that have spilled food or drink on them, Condiments (all spices included), Chapstick - *Use unscented only!* Deodorant/Antiperspirant*, Extra batteries, Feminine hygiene products (*used or unused*)**, First Aid kits & Band Aids, All Food, candy bars, treats, trash, unburnable garbage, (*check and double-check*)**, Foot powder, Insect repellent, Lip balm, Lotions of any kind, Medicine (place in boot if needed during the night such as inhalers, etc.), Mole Skin or Mole Foam, Duct Tape, Shampoos, Soaps - personal & laundry (including Campsuds), Suntan lotion and sunscreen, Tobacco* **, Toothbrushes and toothpaste, Unwashed dishes, Water bottles (bears have associated these with sugary drink mix)
...Anything in question.

* *Highly discouraged*

** *Not to be placed in latrines*

Anything else that has a non-human odor
may attract bears, even though **not** food related.

Not in bear country ?

What about ***“Mini-Bears”*** ?

SQUIRRELS, CHIPMUNKS, RACCOONS,
SKUNKS, COYOTES, POSSUMS & MICE etc.

Always LEAVE at HOME things like:

‘FLAVORED’ LIP BALM, AFTER SHAVE & COLOGNE

Do you want a bear to give you a ‘goodnight kiss’?

Anything with an UNNECESSARY odor!

Always... PACK OUT YOUR GARBAGE!

-- Based on Philmont Scout Ranch BEAR PROCEDURES --

OUTDOOR ESSENTIALS
